Welcome from the Chair

Dear Colleagues

Under the Patronage of Lt. General HH Sheikh **Saif bin Zayed Al Nahyan** Deputy Prime Minister and Minister of Interior, it gives me immense pleasure to welcome you to attend the **Pan Medical Conference, 2014 on Women's Health**. The conference will be held at Rosewood Hotel in Abu Dhabi, UAE on the **16th -18th of October, 2014**.

Building on the success of last year's specialized conferences organized by Abu Dhabi Police GHQ, it was decided to conduct an integrated medical conference to emphasize the holistic approach in addressing health related issues of various risk groups. The integrated conference will be held every two years in Abu Dhabi. The theme of this year is improving health for women. The Scientific Committee has prepared a comprehensive program that address important women health issues.

A comprehensive three day conference has been prepared through a combined collective effort by the members of the scientific committee, who furthermore has secured participation of high caliber international, regional and national speakers working in women's health.

The conference presents high-level scientific content with major updates and state of the art lectures on women health issues. Furthermore, to accommodate the comprehensive scientific program three parallel symposia, meet the expert sessions and clinical practice workshops will run simultaneously for each sub-specialty. We bring you a neutral interface with the industry in order to present the latest in available therapeutics and technology that will help you provide the best possible care for your patients.

On behalf of the scientific committee, it gives me great pleasure to welcome your participation in this unique educational experience enhancing the understanding of women's health in the Middle East and GCC countries.

Best regards,

Lieutenant Colonel

Najla Taher, MD

Conference Themes

A main track will be followed by three sub-specialty tracks that will run simultaneous for each day of the conference:

- **INTERNAL MEDICINE** Track "A"
Rosewood Ballroom A
- **OBS/GYN** Track "B"
Rosewood Ballroom B
- **DERMATOLOGY** Track "C"
Yasmine Ballroom

Who Should Attend

- Governmental and non-governmental officials
- General Practitioners
- Family Medicine Physicians
- Internal Medicine Physicians
- Dermatologists
- Laser Specialists
- Endocrinologists
- Gynecologists
- Obstetricians
- Surgeons
- Plastic Surgeons
- Oncologists
- Radiologists
- Dentists
- Pharmacists
- Nurses
- Medical Students
- Researchers, and other healthcare professionals interested in Women's Health

Venue & Date

October 16-18, 2014
Rosewood Hotel, Abu Dhabi, UAE

Conference Objectives

At the end of the Conference, participants will be able to:

- Review current state-of-the-art advances in managing particular group of diseases related to women's health in internal medicine, Gynecology & Obstetrics and Dermatology
- Discuss, evaluate and diagnose a selected group of common clinical problems using the most updated evidence.
- Apply new knowledge in the diagnostic and therapeutic modalities presented in selected topics
- Discuss current concepts in Modern Medicine and apply this knowledge to patient care.
- Formulate evidence based treatment options for various diseases.
- Discuss clinical practice of real life case studies
- Perform clinical practice hands on workshops given by world-leading experts and tutors
- Apply clinical practice recommendations and evidence-based guidelines to advance patient care in daily practice
- Provide insight into patient needs and experiences and improve clinical practice
- Provide patient care that is compassionate, appropriate, and effective in accordance with international standards, not only in treating diseases but also in prevention of diseases and promotion of health.
- Implement evidence-based best practice strategies

Scientific Programme

Internal Medicine - Track "A"

Rosewood Ballroom A

Target Audience:

- Internal Medicine
- Endocrinologists
- Cardiologists
- Oncologists
- Gastroenterologists
- General Practitioners
- Family Physicians
- Medical Residents and Fellows
- Pharmacists
- Nurses
- Healthcare Professionals who are interested in Internal Medicine

Workshops:

ECG Reading

16th October, 2014 from 16:30 to 18:00

Speaker : **Dr. Abdul Razzak Alkaddour**

Moderator : **Dr. Ali Al Dhuhouri**

Role and Interpretation of Pulmonary Function Test (PFT's)

17th October, 2014 from 15:30 to 17:00

Speaker : **Dr. Zouhair Harb**

Moderator : **Dr. Muhammad Shoaib Khan**

Satellite Symposium

Satellite Symposium -The Emerging Role of Forxiga in the management of Type 2 Diabetes

16th October, 2014 from 17:30 to 18:30

Speaker : **Dr. Melanie Davies**

Moderators: **Dr. Mohamed Adel**

THURSDAY 16TH OF OCTOBER, 2014

07:00-08:00	Registration
08:00-10:00	Plenary Session I Moderators: Dr. Hanan Jeghami, Dr. Rasheeda Abbass, Dr. Salem Beshyah
08:00-08:30	Key Note Address: Obesity and Diabetes in UAE: Challenges and Aspirations Dr. Omniyat Al Hajeri, UAE
08:30-09:00	Cancer Epidemiology in UAE Dr. Jala Asaad Taher, UAE
09:00-09:30	Opening Ceremony
